But all that he

Was the bottom

Twinkle, twinkle, little star,
How I wonder what you are,

Up above the world so high,
Like a diamond in the sky...

Ring a ring 'o' roses,
A pocket full of posie's,

A tishoo... a tishoo...
We all fall down...

Down by the
station,
Early in the
morning,
See the little
Puffing Billies,
all in a row...

Monday's child is fair of lace,
Tuesday's child is full of grace,
Wednesday's child is full of woe,
Thursday's child has far to go...

What are little

Sugar & spice
& all things nice,

That's what
little girls are
made of...

Mary, Mary, quite contrary,
How does your garden grow?
With silver bells & cockle shells,
And pretty maids all in a row.

With an oink,
oink here
and an oink,
oink there...

Hand Knit Star ★ Ratings

To help you choose the pattern suited to your knitting ability

★ One star says this is a **beginner level** of knitting. Knit and purl stitches, casting on and off and some basic increasing and decreasing.

★★ Two stars mean **easy knits**, with knit-purl stitch patterns, simple lace patterns (no shaping in the lace), slip-stitch patterns, and cables.

★★★ Three stars are for **advanced knitters**, requiring some specialised knowledge such as Fair Isle, Aran and more complicated lace patterns.

★★★★ Four stars signal a **challenge knit**. There can be make-and-lose patterns, complicated shaping, and any technique that requires a higher level of concentration.

P The letter **P** after any star grouping suggests that an additional degree of patience is required for a quality finish.

KEY FOR EMBROIDERY

-  = Bullion Stitch rose worked in lemon stranded cotton.
-  = Bullion Stitch bud worked in lemon stranded cotton.
-  = Lazy Daisy Stitch leaves worked in green stranded cotton.
-  = Daisy worked with 4mm white ribbon in looped stitches, with tiny gold bead in centre.

BULLION STITCH

Pick up a Back Stitch, the size of the Bullion Stitch required, bringing the needle point out where it first emerged, do not pull the needle right through the fabric. Twist the thread round the needle point as many times as required to equal the space of the Back Stitch. Hold the left thumb on the coiled thread and pull the needle through; still holding the coiled thread, turn the needle back to where it was inserted (see arrow) and insert in same place. Pull thread through until the Bullion Stitch lies flat. Use a needle with a small eye to allow the thread to pass through the coils easily. Arrange a circular group of Bullion Stitches to make a Grub Rose.

LAZY DAISY STITCH

Work in the same way as Chain Stitch (A), but fasten each loop at the foot with a small stitch (B). This stitch may be worked singly to form leaves or in groups to form flower petals.

KNITTING STITCH EMBROIDERY

Interest can be added to garments with Knitting Stitch embroidery – this is very easy to do, especially if you do the embroidery before you sew up the garment. Knitting stitch is worked over each knitted stitch with a contrasting colour. It is necessary to use yarn of the same thickness as the knitted garment. Be careful not to pull the stitch too tightly and it will cover the existing stitch completely. A completed stitch looks like a “V”. Each square on the graph represents one stitch. It is a good idea, before beginning, to colour in the graph in the colours to be used. Begin at lower edge of graph, on the right-hand side. Using a tapestry or knitters needle, bring the needle from the back through the centre of the stitch below the one to be covered.

* Take needle from right to left under both strands of stitch above the one to be covered. Bring needle back to the start of the stitch, take needle behind 2 strands in row below and across into the centre of next stitch. You have worked one knitting stitch.

Repeat from * following graph for required number of stitches. To finish, bring needle back to the start of the stitch and through to the back of the work. To begin the second row – Bring needle from back to centre of stitch below the one to be covered. Working from left to right pick up both strands of stitch in row above the one to be covered. Take needle back to beginning of stitch, pick up 2 strands which brings the needle across into centre of next stitch. When working stitch above one worked in the previous row your needle will come up in the centre of this worked stitch. Repeat this, following graph for number of stitches to be worked.

TO MAKE A TWISTED CORD

Method requires two people. Take as many strands of yarn as required, approximately three times the length required for the finished cord. Knot each end and slip a pencil between strands. Each person holds yarn just below pencil with one hand and twists pencil clockwise with other hand, keeping yarn taut. When yarn begins to kink, catch centre over door-knob or back of chair. Bring pencils together for one person to hold, while other grasps centre of yarn, sliding hand down and releasing at short intervals, letting yarn twist. Knot ends to prevent unravelling.

BACK-STITCH SEAM

This is the method most commonly used for joining knitted garments. Hold the pieces together with right sides inside. The seam should be sewn one full stitch in from the end of each row so that all seams will be even. One stitch should be worked over every row. Darn in all ends of yarn **after** sewing seams.

FLAT SEAM

This method is sometimes used for knitted garments but more often for crochet garments. A flat seam may be worked from either the right or the wrong side of the work. Place the 2 pieces of fabric evenly together and sew stitch by stitch, always bringing the needle up from underneath to top through the centre of the stitch, then in same manner through corresponding stitch on second piece.

Note – Diagram shows knitted fabric, but method is the same for knitting or crochet. Always keep work elastic – there should be as much stretch in your seam as there is in the rest of your garment.

ALTERNATIVE PATONS BABY YARNS

The garments in our photos were all made using **PATONS FEATHERSOFT**.

For **FEATHERSOFT 4 PLY** – If you wish to substitute **PATONS SHERBETS 4 PLY** (25g balls) quantities should be the same.

If you wish to substitute **PATONS DREAM TIME 4 PLY**, **PATONS DREAM TIME CANDY 4 PLY** or **PATONS PATONYLE 4 PLY**, use the following table as a guide to quantities:

FEATHERSOFT 4 PLY (25g balls)	1	2	3	4	5	6
DREAM TIME 4 PLY or						
DREAM TIME CANDY 4 PLY (25g balls)	1–2	2–3	3–4	5–6	6–7	7–8
PATONYLE 4 PLY (50g balls)	1	1–2	2	2–3	3	3–4

For **FEATHERSOFT 3 PLY** – If you wish to substitute **PATONS SHERBETS 3 PLY** (25g balls), you will probably need to use needles 1 size smaller but quantities should be the same.

If you wish to substitute **PATONS DREAM TIME 3 PLY** or **PATONS DREAM TIME CANDY 3 PLY**, you will probably need to use needles 1 size smaller and you may require 1 ball more for every 4 stated.

Always check your tension carefully before beginning. Check ball bands for pressing instructions.
